The New Jersey Chapter of the American Society for Information Science & Technology is proud to announce that its 21st Distinguished Lectureship will honor scholar Professor Tefko Saracevic, PhD who will present Information Science: Where does it come from & where is it going?

Friday, October 12
4:30 - 6:00pm

The lecture is free and all are invited to attend. After the lecture NJASIST will join the SCILS Alumni Association for a reception and SCILS 25th anniversary celebratory dinner.
