

601 LIS Fig 1.

Possible links or flows

$\alpha \xrightarrow{C} \beta$

α * Controls β

$\alpha \xrightarrow{I} \beta$

α sends info to β

$\alpha \xrightarrow{\$} \beta$

α sends funds to β

$\alpha \xrightarrow{P} \beta$

α * "Preconditions..."
or "constrains" β

* Control is stronger than P. P may either strictly limit activities, or impose higher "costs" of some kind (financial, political, social) to limit activities.
