Curriculum Vitae

EMPLOYMENT/POSITIONS

- 2016-present **Affiliate Member**, Rutgers Cancer Institute of New Jersey, New Brunswick, NJ
- 2013-present **Associate Faculty**, Institute for Health, Health Care Policy and Aging Research. Rutgers University. New Brunswick, NJ
- 2013-present **Graduate Faculty Member**, School of Communication & Information Ph.D. Program, Rutgers University, New Brunswick, NJ
- 2013-present **Assistant Professor**, Department of Communication. Rutgers University. New Brunswick, NJ
- 2010-2013 **Health Sciences Specialist**, Desert Pacific Mental Illness Research, Education and Clinical Center (MIRECC), West Los Angeles Veterans Health Administration
- 2009-2013 **Postdoctoral Fellow**, Center for Health Services and Society, Department of Psychiatry and Biobehavioral Sciences. David Geffen School of Medicine, University of California, Los Angeles
- 2010, 2012 **Lecturer**, Department of Applied Linguistics. University of California, Los Angeles
- 2009 **Lecturer**, American Language Institute. University of Southern California. Los Angeles, CA
- 2008-2009 **Researcher** (contracted), Ecological Validity of Neurocognition and Functional Outcomes in Schizophrenia Research Project. University of California, Los Angeles and University of Southern California
- 2007-2009 **Teaching Fellow**, Department of Applied Linguistics. University of California, Los Angeles
- 2006-2007 **Research Assistant**, Department of Asian Language and Cultures. University of California, Los Angeles
- 2005-2007 **Teaching Associate**, Department of Applied Linguistics. University of California, Los Angeles
- 2003-2005 **Teaching Assistant**, Department of Applied Linguistics. University of California, Los Angeles

EDUCATION

- 2009 **Ph.D.** in Applied Linguistics, University of California Los Angeles
Dissertation: *How Individuals Diagnosed with Frontotemporal Dementia and Caregivers Manage Interaction* examines the social behaviors and communication of neurological disorder
Committee: John H. Schumann, John Heritage, Charles Goodwin, Hongyin Tao
- 2004 **M.A.** (terminal degree) in Applied Linguistics, University of California Los Angeles
Thesis: *Usage-based Argument Structure in English: A Matter of Finding Indexical Ground*
- 2001 **B.A.** in Linguistics and Psychology (minor), University of Pennsylvania

CERTIFICATES & LANGUAGE EDUCATION

- 2003 California Basic Educational Skills Test (CBEST)
- 2002 Diplôme d'études en langue française (DELF), French National Ministry of Education
- 2002 Test du connaissance du français, French National Ministry of Education, Level 5 (Superior) of six possible levels (Level 1: Elementary – Level 6: Advanced Superior)

SCHOLARSHIP

My work consists of three intertwining threads guided by my interest in patient engagement in real world contexts. (1) The first thread is situated *in community* contexts and examines the situated interactional practices of individuals diagnosed with neurological and psychiatric disorders to provide a grounded perspective on competence, everyday functioning, and patient engagement. (2) The second thread is situated *in clinic* contexts and is informed by my work in the community. Using both video-based analyses and documenting perceptions of patients and clinicians, this work helps identify (in)effective communication practices in clinic contexts and provides an ecologically sensitive lens on applications of patient-centeredness, shared decision-making, and the use of decision support strategies in the clinic. (3) The third thread highlights patient engagement in the collective sense by exploring the practices, perceptions, and ethics of community-engagement and community-based participatory research (CBPR) in health and clinical research. Collectively, my work informs our understanding of best practices, intervention development, and implementation of interventions to support patient involvement and contains a strong applied component, particularly to inquiry in health services.

- 2014 Shayna Pellino (undergraduate): “Multimodality and Coordination in Dance Instruction with Novice and Expert Dancers”

Graduate Teaching/Instructional Assistants

- 2019, Spring Jiayu Qu
- 2018, 2019 Spring Kaicheng Zhan
- 2018, Fall Xizi Ru
- 2018, Fall James Greene
- 2018, Spring Priyanka Banerjee
- 2017, Fall Teis Christiansen
- 2017, Fall Amana Kaskazi
- 2017, Fall Diksha Upadhyay

Graduate Teaching Interns

- 2019, Spring Chuting Wang
- 2018, Spring & Fall Stephanie Nolan
- 2018 Spring Yutian Tao

Undergraduate Research Mentoring & Advising

- 2018-2019 Morgan Constable: provide training and mentorship for coding and analyzing patient-provider video data
- 2018-2019 Gabrielle Manahan: provide training and mentorship for using LSI approaches for clinical practice in speech pathology
- 2018 Peyton Wagner: provide research training for qualitative data analysis/interview coding and supervise participation in collaborative research project
- 2018 Elizabeth Peters: provided research training for qualitative data analysis/interview coding and supervised participation in collaborative research project
- 2018 Sarah Alaskar: provided mentorship on career development, seeking internships in community health organization and non-profit organizations, and provided feedback on the development of a community health project and marketing campaign
- 2018 Grace Tino: provided mentorship on seeking internships in community-based organizing
