

Itzhak Yanovitzky, Ph.D.
Associate Professor
School of Communication and Information
Rutgers, The State University of New Jersey
4 Huntington Street, New Brunswick, NJ 08901-1071
Office: (848) 932-8852; email: itzhak@comminfo.rutgers.edu
<https://comminfo.rutgers.edu/yanovitzky-itzhak>
<https://orcid.org/0000-0001-6366-8006>

EDUCATION

Ph.D. in Communication: University of Pennsylvania (2000).

M.A. in Sociology: University of Haifa, Israel (Cum Laude, 1996).

B.A. in Sociology and Political Science: University of Haifa, Israel (Dean's List, 1993)

RESEARCH INTERESTS AND EXPERTISE

- Behavior change communication
- Public policymaking
- Persuasion and social marketing
- News and media campaigns
- Community mobilizing and engagement
- Dissemination and implementation (D&I)
- Program evaluation
- Quantitative research methods

ACADEMIC POSITIONS AND AFFILIATIONS

Associate Professor (Secondary Appointment). Rutgers School of Public Health, Department of Health Education and Behavioral Health, 2016–present.

Associate Professor. Department of Communication, School of Communication and Information, Rutgers University, 2007–present.

Faculty Mentor. School of Arts and Sciences Honors Program, Rutgers University, 2008 – present.

Research Fellow. Institute for Health, Health Care Policy, and Aging Research, Rutgers University, 2006 – present.

Visiting Scholar. The Annenberg School of Communication, University of Pennsylvania, 2010-2011.

Member, School of Graduate Studies Faculty, Rutgers University 2007-present.

Research Associate. Center for Mental Health Services & Criminal Justice Research, Rutgers University, 2003 – 2007.

Research Associate. Center for Communication and Health Issues, Rutgers University, 2002 – present.

Assistant Professor. Department of Communication, School of Communication, Information and Library Studies, Rutgers University, 2001 – 2007.

Postdoctoral Research Fellow. The Annenberg School for Communication, University of Pennsylvania, 2000 – 2001.

RESEARCH GRANTS AND AWARDS

Principal Investigator, “*Active Surveillance of Policy Ecosystems and Networks (ASPEN) to Enhance Brokering of Research Evidence into State Policymaking*” (William T. Grant Foundation, Research Grant, \$936,341), 2019-2022 (Resubmitted, funding decision is pending).

Principal Investigator, “*Implementation and Initial Impact of New Opioid Prescribing Requirements and Expansion of the Medical Marijuana Program in New Jersey*” (National Institute on Drug Abuse, R21, \$275,000), 2019-2021 (scored, funding decision is pending).

Principal Investigator, “*Tracking Policymakers’ Acquisition and Use of Research Evidence Regarding Childhood Obesity in the News Media*” (William T. Grant Foundation, Use of Research Evidence Award #185220, \$457,862), 2016-2018.

Principal Investigator, “*Effects of an Intensive Dissemination Campaign on Community Knowledge, Attitudes, and Actions Regarding the Prevention of Opioid and Heroin Abuse*” (New Jersey Governor's Council on Alcoholism and Drug Abuse, \$59,000), 2017-2018.

Co-Investigator, “*Active Involvement in Creating High School Substance Use Prevention Messages*” (National Institute on Drug Abuse, R21DA027146, \$456,263, PI: Greene), 2010-2012.

Co-Principal Investigator, “*Destigmatizing People with Criminal Histories: A Pilot Study in Public Opinion Change*” (National Institute of Mental Health, \$62,000, PI: Wolff), 2006-2007.

Principal Investigator, “*Effective Alcohol Counteradvertising Message Strategies*” (Rutgers University Research Council Grant, \$3,680), 2005-2006.

Postdoctoral Research Fellow, “*Evaluation of the National Youth Anti-Drug Media Campaign* (National Institute on Drug Abuse contract # N01DA-8-5063)”, PI: Hornik), 2000-2001.

AWARDS & RECOGNITIONS

Distinguished Achievement in Research Award, Department of Communication, Rutgers School of Communication and Information (2018).

Finalist for Rutgers University Warren I. Susman Award for Excellence in Teaching (2010).

Department of Communication Teaching Excellence Award, School of Communication & Information, Rutgers University (2010).

Mentor of the Year Award, Aresty Research Center for Undergraduates, Rutgers University (2009).

Department of Communication Teaching Excellence Award, School of Communication & Information, Rutgers University (2006).

Nominee for the Health Communication Division of the International Communication Association’s Early Career Award (2006).

Finalist, the International Communication Association and National Communication Association Dissertation Award of the Health Communication Division (2001).

TEACHING AND ADVISING

Courses Taught

For all classes listed below responsibilities include the development of syllabi and curricula, the preparation and delivery of lectures and other course materials (including designated class websites), and the creation of student assessment rubrics.

Graduate Courses: Quantitative Research Methods (RU)
 Communication Theory (RU)
 Health Communication (RU - Online Course)
 Health Campaigns (RU)
 Social Marketing & Public Health (RU)
 Persuasion and Advocacy (RU)
 Communication and Normative Influence (RU)
 Mediation Analysis (RU)
 Time-Series Modeling (PENN)

Undergraduate Courses: Communication Research (RU)
 Persuasive Communication (RU)
 Health Communication (RU)
 Health Messages Design and Campaigns (RU)
 Communication and Social Change (RU)
 Social Media and Peer Influence (RU)
 Causality and Causal Inference (RU - Honors)
 Peer Influence in the 21st Century (RU - Honors)

Graduate and Undergraduate Advising

Dissertation Committee Chair:

Nicole Gesualdo (in progress). Role and Functions of News Media in Policy Debates Regarding Taxation of Sugar Sweetened Beverages. Ph.D. Dissertation in Communication

Rannie Teodoro (2016). Beyond Exposure: Patient Engagement with Health Information in an Information Ecology Framework. Ph.D. Dissertation.

Shuktara Das (2012). Negotiation of Norms of Private Information Sharing by Parents and Young Adult Children. Ph.D. Dissertation.

Dissertation Committee Member:

Gina Pope McKeon (in progress). PhD. Dissertation (Applied and Community Nutrition).

Ran Raban (2018). Good Viruses: Video Advertisements Intended for Viral Distribution on the Internet - Implications for the Promotion of Social Issues. Ph.D. Dissertation in Communication, Tel-Aviv University, Israel.

- Mingyue Zhang (2017). Making Messages Go Viral Through Social Media: The Motivations for Clicking the “Share” Button on Facebook. Ph.D. Dissertation. (Human Ecology)
- Amanda Carpenter (2017). Information Management as a Behavior Examined Through the Context of Mental Health. Ph.D. Dissertation. (Communication)
- Danielle Catona (2014). Active Involvement: Developing an Intervention that Engages Older Adults in Fall Prevention. Ph.D. Dissertation. (NCA Outstanding Dissertation Award for Communication and Aging Division). (Communication)
- Deepika Bangia (2014). The Impact of Grocery Store Podcasts in the Delivery of Nutrition Education to Improve Shopping Behaviors, Particularly the Purchase of Omega-3 Rich Foods. Ph.D. Dissertation. (Nutrition)
